Our cruise stopped in NYC for only one day. Having not been to the city before, we chose this private van tour! What a wise decision that was. We saw the highlights of the city along with the history.

We were able to leave the van to see areas more closely--Grand Central Station, 9/11 Memorial, Rock Square, etc. And MORE. [read less](#)

About me:

I am a 3rd generation native New Yorker and professional licensed NYC tour guide who never gets bored exploring the city I love. I will share with you personal experiences, extensive knowledge and anecdotes of life in the Big Apple and you'll here it all in my native 'New Yawk' accent! Before becoming a professional tour guide, I was a teacher, a comedian and a storyteller. The streets of NYC are my stage and every tour is a new production. I love meeting people from all over the world and sharing my passion of NYC. [show less](#)

How ToursByLocals Works

Choose your own guide. See their photos, read their bios and communicate with them prior to booking your tour.

It's more affordable than you might think. Our pricing is per tour **NOT** per person so if there are 3 or more in your group, you'll probably pay less than if you took a big bus tour.

Every tour is private. Your guide will spend time only with you and the people you're traveling with.

●●●●● ABC

See as much as you can or slow things down to a saunter. With your private guide, your day is flexible.

Every tour is customizable. See the sights YOU want, try the food YOU crave, learn about what interests YOU the most.

About me:

I am a 3rd generation native New Yorker and professional licensed NYC tour guide who never gets bored exploring the city I love. I will share with you personal experiences, extensive knowledge and anecdotes of life in the Big Apple and you'll here it all in my native 'New Yawk' accent! Before becoming a professional tour guide, I was a teacher, a comedian and a storyteller. The streets of NYC are my stage and every tour is a new production. I love meeting people from all over the world and sharing my passion of NYC. [show less](#)

Our cruise stopped in NYC for only one day. Having not been to the city before, we chose this private van tour! What a wise decision that was. We saw the highlights of the city along with the history.

We were able to leave the van to see areas more closely--Grand Central Station, 9/11 Memorial, Rock Square, etc. And MORE. [read less](#)
